

Your school Principal must approve the scheduling of a *Let's Fight Flu Together!* school-based clinic, whether the clinic occurs during regular school hours, at night or on a weekend. To help the principal make that decision, he/she needs information about why it is important, what is involved, liability issues, and how it will impact your school. Your Principal may also need to get permission from the school Superintendent or other school district officials. The following documents will help.
